**Re: *United States v. Chinwendu Alisigwe, 22 Cr. 425 (VEC)***

Dear Judge Caproni:

The Government respectfully writes, with the consent of the defense, to request a short adjournment of its deadline to respond to the defendant's pending motion to suppress physical evidence and statements (ECF Nos. 27-29), presently set for February 3, 2023. The parties are engaged in ongoing discussions concerning a potential pretrial resolution of this matter, which could render further briefing on the defendant's motion moot. The parties do not anticipate, however, completing those discussions before February 3, 2023. Accordingly, the Government respectfully requests, with the consent of the defense, that its deadline to respond to the motion be adjourned two weeks, to February 17, 2023, and that the defendant's deadline for any reply be similarly adjourned to February 24, 2023.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney

SO ORDERED.
